

Overall Score **9/10**

## Complete Engine Diagnostics

### Test Drive And Performance

- Test Drive Distance: 6.2 Km
- Test Drive Duration: 17 mins
- Start Point: (Lat,Long): (28.48,77.07)
- End Point: (Lat,Long): (28.48,77.07)

**Fuel Economy** 27% **Battery Voltage** 93%

**Torque** 63% **Power** 86%

#### Brand New Car

20 km/L

14 V

190 Nm

74 bhp

#### Inspected Car

5.3 km/L

13 V

120 Nm

63 bhp

### Performance & Engine Analysis

	Ignition System	
	Exhaust System	
	Intake System	
	Injection System	
	Cooling System	
	Fuel System	
	Lubrication System	
	Emission Control	
	Vehicle Speed	
	Idle Control	
	Heating, Ventilation and Air Conditioning (HVAC) S	

Overall Score  9/10

### Electrical Subsystem Control

-  Steering System 
-  Charging System 
-  Cruise Control System 
-  Computer System (PCM) 
-  Transmission Control Module (TCM) System 
-  Air Fuel Control System 
-  Fuel Pump & Injector System 
-  Auxillary Emission Control 
-  Vehicle Speed, Idle control and other auxillary in 
-  Body Control Module 
-  Chassis 
-  Communication Network System 

### Overall Condition

Very Good
